In 1907, Pitman National Bank opened for business in the same building where our establishment, Merryman's Pub, is currently located. When we bought the building, there was no floor, no interior walls, hardly...anything other than a shell, really. However, we saw the potential. We saw what a Pub could do for our community, families and friends, and for our town's history. We are very glad to be able to serve you all delicious, classic pub fare in Pitman's first pub, Merryman's Pub.

From the owners of Merryman's Pub,
